

Jim and Therese Black named first “Family Of The Month” for 2016

Jim and Therese Black and their five children are longtime members of St. George Parish - Therese for 59 years and Jim for 43 years. Likewise their children grew up in our parish and attended our parish school.

Over these many years this dedicated couple has been involved in numerous activities both as individuals and as a “husband and wife team.” They work together with other couples with whom they have been friends for years on projects such as the Lenten “Soup & Salad” affairs and the receptions that follow our two Anointing Services each year.

As an individual, Therese has been a member of our parish choir, our Resurrection Choir, our parish bereavement team and for 28 years she has been an Extraordinary Minister of the Eucharist.

In 1964 the parish purchased the original 11 pieces of our Nativity Set from a source in Italy and four years later 11 additional pieces were purchased from a German source. Now, over these many years it has been Terre’s greatest pleasure to take care of this parish “treasure” by cleaning and keeping the beautiful pieces in good repair.

In addition to supporting his wife in her many parish activities, over the years Jim had been a cross bearer on Good Friday and now, as a couple, they help in planning Good Friday activities.

The children of this dedicated couple are Tom, a Vietnam veteran who just retired after 31 years of government service and lives in Cumberland, Md. with his family; John is retired and lives in Erie while his sister Debbie is also retired and lives in Virginia. And finally, daughter Joanne is not yet retired and is still a parishioner of St. George Parish.

The Knights of St. George are pleased to name Jim a Therese Black as January's Family of The Month.

***Do you know of a family or an individual that should be honored
as our “Family or Parishioner Of The Month”?***

Nomination forms and the boxes in which to place them are at entrances to the church.

St. George Parishioners, you are the greatest!

As you may have read in the December bulletin, your generosity for our traditional Christmas projects was a huge success. There were over 250 beautifully wrapped gifts distributed to needy families and more than 70 families received baskets of food for their Christmas dinners from our Food Pantry. You truly made it a Merry Christmas for many.
